Please find below a list of LIVE sessions being ran by some of the most incredible people on the planet! We have been sharing these online daily, but thought it best if we collated these for you so they can be set as bookmarks for your children if you are working. From Celebrities, Sports Stars and TV presenters, to Educational Legends, Authors and Artists, we have it all! The list is continuing to grow day by day, and I will update this regularly. However, here is this week's top picks! If you find any fantastic daily posts that you think must be added, please let us know.

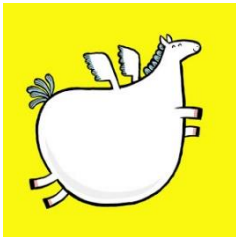

Thankyou, Mrs Hall and the Silverhill Team

Daily music sessions live at 11am. The children will have the opportunity to learn how to use rhythms they can create with their bodies to make and perform music. As this session is live, the children will be able to interact together and share performances!

Huge thanks to @BeatGoesOnUK ☺
