April 2020

Dear Parents/Carers

Well we have had a very different Easter break, however, I hope you managed to find some relaxing, quality family time. It has been lovely to see so many of you come and collect lunches. Please remember to **pre-order by 9.30 am on the day** and then **collect** your lunch from the school. This is a great way to keep in touch with us and also collect a hot lunch/breakfast pack for your child/ren. Lunches are available **Monday-Friday from 12-1.15 pm.**

It is more important than ever, that we keep in regular contact with our families/carers. Remember to keep checking our school website, which is updated regularly. The website address is: <https://bridgendprimary.westlothian.org.uk> Please remember Jordan, our Family Support Worker is here to support you in any way she can. She can be contacted on **07866 010 117.**

With regard to your child/ren's learning, please check the website for ideas of activities and websites to support. Paper packs are being prepared and you will receive a groupcall text advising when these can be collected. The use of Teams is still available for our P3-P7 pupils and they are able to contact their class teacher via this means or via email.

Finally, I would just like to say to keep yourself safe.

Kind regards

Jackie Aitken  
Head Teacher

## Community News

**LYPP:** Hope you are doing well during these very strange days and by now you are figuring out how to make the days go by a little easier

and maybe even found the time to take up a new hobby? Obviously, LYPP aren't able to run any 'on the ground' activities, however, we'd still love to hear from you all via our 'LYPP Linlithgow' and 'LYPP Online Youth Club' facebook pages and 'lypp lounge' and 'lypp support' sites. Whilst we await starting our activities again, please do not become strangers and drop us a note to say how you are getting on. Everyday we are uploading videos from the team with challenges, fun and thoughts and we'd love you to be a part of it! Stay safe, stay home and we'll soon return. Graeme.

**Playbase:** We hope everyone is well.

**Church news:** A greeting from Mr Marshall and all at the Church to say that they hope everything is well with everyone and to take care.
