

Bridgend News

June 2020

Dear Parents/Carers

Who would have thought that here we are moving into week 11 of 'lockdown' – it really is unprecedented times and I hope you are all managing to keep safe and healthy.

We are extremely fortunate in that Bridgend is a small community and we can all support each other, albeit safely with social distancing. Learning will continue to be a priority and a challenge and I know the staff are working harder than ever to ensure your child/ren are engaged in educational activities. Please be reassured that these activities are not meant to put additional pressure on you, but merely to provide opportunities to have some kind of routine/structure to your child/ren's day. It is also important, that families spend quality time to ensure a positive mindset and wellbeing. Remember to keep checking our website on: <https://bridgendprimary.westlothian.org.uk> Remember Jordan, our Family Support Worker is here to support you in any way she can. She is in school, daily, from 11.30-1.30 pm and contactable on: 07866010117. Stay safe everyone.

Kind regards

Jackie Aitken
Head Teacher

Reporting

Staff are busy working on reports and these will be issued in the

normal format, next month. If you have any queries or concerns, please do not hesitate to contact the class teacher, in the first instance.

Parent Council

We hope all our families stay safe and well. Remember to check in at the school to collect your lunch. Craft packs have also been prepared and collected by both school and Nursery. If your child requires additional paper packs, these are available at the school.

Active Schools

Active schools have prepared a grid for 'health week' next week. We hope you managed to engage in some fun 'health and wellbeing' activities.

Transition

West Lothian Council are working hard to ensure every aspect of school life is covered. We have a team working very thoroughly on transition and guidelines will be shared as soon as available. In the meantime, P7 parents, please check out Linlithgow Academy's website for full information on transition to date. Our staff are liaising with secondary staff to ensure as smooth a transition as possible for our pupils. A paper copy of a presentation is available for P7 parents to collect from our school during the lunch break.

New P1 pupils, we are in the process of preparing packs and once again, this will be shared with you shortly. Please bear with us, but we are doing everything we can to ensure the best possible outcomes for all our children in these challenging times.

Community News

LYPP: would still love to hear from you all via our 'LYPP Linlithgow' and 'LYPP Online Youth Club' facebook pages and 'lypp lounge' and 'lypp support' sites. Whilst we await starting our activities again, please do not become strangers and drop us a note to say how you are getting on. Everyday we are uploading videos from the team with challenges, fun and thoughts and we'd love you to be a part of it! Stay safe, stay home and we'll soon return. Graeme.

Playbase: We hope everyone is well.

Church news: A greeting from Mr Marshall and all at the Church to say that they hope everything is well with everyone and to take care.

Nursery

Nursery craft and activity packs were distributed recently from school. It was lovely to see so many parents/carers turn up to collect these. We hope you enjoy the activities contained in them. Don't forget to check our school

website/social media for additional ideas and information.
